

SHOP LOCAL

HELP SUPPORT LOCAL
BUSINESSES DURING
COVID-19

BUY GIFT CARDS

Help local businesses (shops, restaurants, services, etc.) suffering from decreased business due to COVID-19. Buy a gift card for future use. The business gets the money now and you can use the gift card at a time of your choosing.

GIFT TICKETS BACK TO NONPROFITS

Do you have unused tickets for the theater, concerts, or charity events and galas? Consider gifting the tickets back to nonprofits. What a way to support the Aurora region!

BUY LOCAL, ONLINE

When buying online, we typically buy from out-of-state or non brick-and-mortar stores. Change your mind-set. Instead, shop local Aurora regional businesses online.

ARRANGE FOR TOUCH-LESS PICKUP

Keep shopping. Buy what you had planned to buy already and either arrange for a touch-less pickup or ask the store to keep it on hand until the COVID-19 situation improves and you can pick up your order.

BE SMART + INFORMED

Be informed and protect yourself and others to help minimize the spread of COVID-19. Get the latest news and updates directly from the Center for Disease Control (CDC) and the Illinois Department of Public Health.

WE ARE HERE TO HELP

During this unprecedented time, the Aurora Regional Chamber of Commerce stands ready to help Aurora regional businesses. Contact us if you have questions.
